The following was a letter left by a
Maine hermit, who committed sui-

To the curious: In two hours I
shall be dead, shot through the head
with a big charge of lead (no poetry
intended), and be on the spook route
to Kingdom Come. Disease and
poverty the cause. However, no one
knows I am in a destitute condition,
but I'm in it just the same. Burn,
boil, bake, buy, or send my carcass
to the phosphate factory just as the
humor strikes you.
